

Second Annual Reservoir High School Marching Gator's MARCH-A-THON

The Reservoir High School Marching Gators will be conducting their second annual March-a-Thon during their August 6-17 Band Camp. The number of miles marched during this intensive two-week camp will be measured with pedometers.

Sponsors should assume that the band will march between 40 and 60 miles. Sponsors may donate a specific dollar amount per mile marched, with or without a cap, or donate a "flat fee." Band members will collect donations shortly after band camp concludes on August 17. **This form, and the money collected, are due to the band office no later September 5, 2007.**

All donations are considered to be tax-deductible, and all checks should be made out to the "RHS Music Boosters." Additional forms are available on the RHS Music Booster's website: <http://www.rhsmusic.wikispaces.com>.
